

# GIRL NEXT DOOR

NAME / ERIN CHAPLIN

AGE / 18 FROM / ADELAIDE

**WHO actually lives next door to you?**

No-one. I live on a property 10 minutes out of the nearest town. But every girl can be a girl next door.

**You just have to be the right type, eh?**

You mean am I sweet with pigtails? Sometimes. I'm the girl next door and a little bit more.

**What are you doing with your life?**

I bought a video camera the other day. Oh – now I know what you're thinking... "We bought a video camera the other day and have already made a couple of movies."

**I was just thinking it's sweet that you're recording memories of your friends. Turns out you've been making pornos. With the boy next door.**

[Laughs] Slumber party! Come over!

**How many have you knocked out?**

No! None!

**I'm trying to put words in your mouth.**

You are, aren't you? You want me to say, "I've made pornography."

...said Erin, 18

No! I have been asked, though.

**Aha! Who asked?**

Who hasn't? It was one of my friends. I was filming him and he said, "Put it up there and we'll make a movie."

Uh-huh...

And I said no! [Laughs]

**What modelling stuff have you left us to remember you by?**

I've been on a couple of commercials. The latest one was for Fantà – the one with 50 or 60 girls in a pool with bikinis on. A few bikinis fell off.

**That wasn't in the ad.**

We had to jump in the pool off this big platform. I jumped in and my top came off. I just laughed about it.

**Did you get a round of applause?**

I did, actually. "Encore!"

**What's the best thing you've bought to help your sex life?**

Glow-in-the-dark lubricant.

**Do you smear it all over and scare the neighbours?**

[Laughs] Yeah – "There's an alien at the window!"

She's missed a bit around her hips
