

No-one noticed  
when the UFO  
abducted Eric

# THANK GOD

...for Jessie Milton. She's tall, she's blonde, she's heaven in a bikini

Photos • Wayne Daniels Productions

If you're good, in your next life you'll come back as a roll-on deodorant

**"SHE WAS SAYING SHE WOULDN'T MIND GOING HOME WITH ME. AND SHE WAS FLIRTING"**

**How tall are you?**  
5ft 11in [180cm].  
**Wow. So you're an Amazon.**  
Yeah, it's all natural.  
**When it comes to sex, do you like to be the teacher, or to be taught?**  
Ohh... [laughs].  
**OK, if you could have a sex scene with...**  
Oh my God!  
**...any actor, who would it be?**  
I don't think like that.  
**Blockes do all the time.**  
OK, if I was a lesbian – and I'm not – but if I was, there's one actress every other woman would say yes to, and that is Angelina Jolie.  
**What is it about her?**  
She's got a really beautiful face, and her lips are really full.  
**Would you consider it if she turned up in Adelaide one day?**  
If she considered me. My boyfriend wouldn't mind that.  
**Have you ever had a threesome?**  
No.

**Would you ever consider it?**  
I can't really say until the situation comes up.  
**Have you had the opportunity?**  
I have, but I can't tell you.  
**If you did, what would you say?**  
Well, this person – who is actually quite well-known – was doing an appearance at this nightclub.  
**Can you give us a hint who it was?**  
She's been in the magazine. She was saying to my boyfriend's friends she wouldn't mind going home with me. And she was flirting.  
**She wasn't just being friendly?**  
Even my boyfriend was like, "God, she's really hot for you." When she was leaning forward and talking, she was quite touchy. I just knew.  
**Would you ever be unfaithful if you knew you'd never get caught?**  
No.  
**Have you ever been unfaithful?**  
No.  
**You're definitely going to heaven.**  
Ivan Smith
