You're in the Devils issue of **RALPH**.

How evil are you, on a scale of 1-10.

What's really evil?

The Devil himself. He's a 10. What's the most evil thing you've done?

I was a little bit drunk at a school social, so I did a table dance for my boyfriend, but didn't realise my teacher was watching me.

Did you get detention?

No.

"I DID A TABLE DANCE FOR MY BOYFRIEND AND THE TEACHER WAS WATCHING"

That's not too naughty. That scores about a three. You must have done something badder.

I used to work in McDonald's drive-thru, and guys would ask me for my number. So I'd give them the number of the drive-thru.

You made horny guys ring McDonald's?

It was really bad because sometimes it would backfire as I would actually be there when they called.

Did you ever go out with a customer while you were at McDonald's?

No. It's not the best pick-up joint.

And Macca's clobber isn't very sexy.

Yeah, the girls' pants are really bad because they sit up under your boobs. I used to run into the boys' room and grab a pair of theirs, because they were like hipsters.

Did you win any achievement awards while working there?

[Laughs] Actually, I did get one of those. I was Fry Person of The Year.

You must have been pleased.

I was embarrassed.

It's a real honour. Did you get a badge?

Yes, with fries on it.

You're not sounding evil enough.

Have you ever broken the law?

Oh, just under-age drinking.

How long have you been modelling?

About two years.

Do you hang out with other models?

Not day to day, but every now and then.

There's this rumour that models have secret parties where they have lots of sex with other models.

I've read this before!

Now, once and for all, is it true?

[Laughs] Well, if it is, I haven't ever been invited. Maybe I'm too evil.

If you had to do a sex scene with an actor or actress, who would it be?

Um... I don't know. You tell me some and I'll choose.

Arnold Schwarzenegger?

Ewww, no.

Ben Affleck?

No.

Angelina Jolie?

The sheer cheek of it all
